

## From the office of the Town Clerk

For college bound students & parents,

I received this free resource that provides information about colleges in the U.S., including tuition costs and enrollment numbers. This includes a list of the 301 colleges in New York State that you can access just by clicking on the link below. I hope that you will find this resource helpful.

The Online College Database is focused on providing prospective post-secondary students and families the information they need at no cost to make an informed decision about where to attend college. We hope you can help support our cause for those in the great state of New York and others across the country.

Our website has published easy to digest information on all the 301 colleges in New York, including the 226 four-year colleges and the 75 two-year schools. Important factors such as tuition, enrollment size, campus setting, male / female ratio, student to faculty ratio, ROTC availability and acceptance rate are published for each college. Our data is sourced from U.S. federal government databases include the National Center for Education Statistics (NCES) and the Integrated Postsecondary Education Data System (IPEDS), ensuring the integrity of our information is the highest caliber. This information, combine with our easy to use interface with Google Maps integration, provides a helpful resource for prospective students and families, at no cost.
